

PERIURBAN PROJECT – 5th PROJECT MEETING

Day 1 – Thursday 24th February 2011

Location Czech University of Life Sciences, Prague (CZ)

09.00 **Welcome and Opening** – Representative from Czech University of Life Sciences

09.15 **Presentation of Agenda** – Regione Toscana

09.30 **Component 3: Exchange (Territorial Analysis/Common Methodology)** – Regione Toscana / FEDENATUR

Presentation of draft template for Common Methodology / draft comparative report on Territorial Analyses.

Draft template is used to focus debate on how to use results of Territorial Analysis / External Case studies to develop common methodology.

Draft report represents a matrix of information received in partners' analyses and brings together key points to be discussed and developed during the meeting.

Aim of the discussion is to provide the basis for the final report on the analyses and for the common methodology: i.e. which aspects to focus on? Which good practices to bring in? What information is missing? How can work be structured and divided between partners?

Partners are divided into small groups for parts of the discussion in order to ensure that all participate actively.

FEDENATUR brings in examples of external good practices, according to the decisions made on key elements of the methodology.
